

Wholesale and Household Charges 2025/26 Statement of Assurance

This Assurance Statement for County Water Ltd covers the area of Heyford Park, Upper Heyford.

This statement is made by County Water Ltd. The sewerage undertaker for the site above, to comply with its Licence Conditions and in line with the Authority's Wholesale Charging Rules.

I confirm the following:

1. County Water Ltd complies with its legal obligations relating to the wholesale and household charges it has published;
2. The board has assessed the effects the wholesale and household charges have on sewerage licensees (as a whole or in groups) who are retailing wholesale and household services and on customer occupying eligible premises (as a whole or in groups) for a range of customer types, and approves the impact assessments and handling strategies developed in instances where bill increases for particular customer types exceed 5%.
3. County Water has procedures in place to ascertain accurate publication of its wholesale and household charges, which includes up to date recordings of data;
4. County Water has consulted with relevant stakeholders in a timely and effective manner on its wholesale and household charges;
5. No final wholesale or household charges are significantly different from the indicative wholesale and household charges published for the same period.
6. Household charges operate on the no worse off principle, offering a service at least comparable to the incumbent water provider with prices equivalent to the incumbent water company for the area.
